## Hello

My Name Is Deepak Dhiman. I'm a **Graphic Designer**. A highly creative and motivated fresher graphic designer with a passion for crafting visually appealing, professional content. Skilled in color selection, text styles, layout design, and specialized design software. Seeking to contribute innovative ideas and exceptional design to an organization.

## EXPERIENCE

---

### PHOTOGRAPHER/VIDEOGRAPHER

- **Engaged in creative projects to expand your portfolio:**
- Explore seasonal themes (winter, spring, summer, fall).
- Captured flora in winter gardens (focus on form and structure).
- Shoot bleak landscapes using misty conditions.
- Experiment with black and white conversions.
- Participate in local photo walks and clubs.
- Teach others about photography.
- Explore film photography for a timeless experience.

### SKILLS

- Creating basic designs for social media posts
- Assisting senior designers in creating mockups and presentations
- Designing basic logos and branding materials
- Creating simple illustrations and icons
- Editing and retouching images
- Creating basic layouts for print materials (brochures, flyers)
- Assisting in the production of marketing materials (banners, posters)
- Researching design trends and presenting findings
- Participating in brainstorming sessions for new design projects
- Learning and practicing design software (Adobe Creative Suite)

### PORTFOLIO SITE

- Used HTML and CSS to design and create a custom portfolio website highlighting my work
- Used Adobe Illustrator to build a personal logo
